Notes:

1. Certificates of Baptism

The fee for a certificate issued at the time of baptism is for a certified copy of the entry in the register book of baptisms giving the particulars required in Form No 1 in Schedule 1 to the Parochial Registers and Records Measure 1978. The fees payable for a certified copy of the full entry issued at any other time are the fees prescribed for searching registers of baptisms and burials and, if applicable, for each additional copy of an entry in such a register.

2. Definitions etc.

'Burial' includes deposit in a vault or brick grave and the interment or deposit of cremated remains.

'Churchyard' includes the curtilage of a church and a burial ground of a church whether or not immediately adjoining such church.

(NOTE: This includes any area used for the interment of cremated remains within such a curtilage or burial ground, whether consecrated or not.)

'Cemetery' means any burial ground, other than a churchyard.

'Monument' includes headstone, cross, kerb, border, vase, chain, railing, tablet, plaque, marker, flatstone, tombstone or monument or tomb of any other kind.

'immediately preceding or following on from service in church' includes the day before and the day after the service in church.

Where " - " appears in the table no fee is payable to the body indicated.

3. Funerals & Burials

i) No fee is payable in respect of a burial of a still-born infant, or for the funeral or burial of a person dying within eighteen years after birth. This does not include monument fees, which are payable regardless of the age of the deceased.

ii) The fee for a burial in a churchyard or cemetery on a separate occasion applies when burial does not take place on the same day as, or on the day before or the day after, a service in church.

iii) The certificate issued at the time of burial is a certified copy of the entry in the register book of burials kept under the Parochial Registers and Records Measure 1978.

4. Searches in Church Registers

The search fee relates to a particular search where the approximate date of the baptism, marriage or burial is known. The fee for a more general search of a church register is negotiable.

5. Costs and Expenses

In the case of a marriage service or a funeral service in church, any costs and expenses incurred in respect of routine administration (including arranging dates and times and the making of entries in registers), making the church available and lighting it are included in the fee prescribed as payable to the Parochial Church Council.

RETURNS FORM USER NOTES - Excel Returns Form can be downloaded from: bathandwells.org.uk/supporting-parishes/finances/for-treasurers/parochial-fees/

- This Appendix must be used in conjunction with the Full table of parochial Fee issued by the Church of England so that all fees both DBF and PCC are captured.
- The fees have been clearly laid out so that PCC, DBF and Apportionment fees are clearer and on one reference page
- The layout of the fees is different from the full table so that funerals and burials are easier to look up and cost out
- Please note that a signature from a PCC Officer or Incumbent is required to ensure the details are correct and in alliance with church records. *If the form is submitted via email, please confirm declaration in the body of the email and copy in a PCC Officer.*
- All totals are collated at the bottom of the form, with the DBF payable total clearly highlighted. Delete all Value cells first.
- Each element of the service should be recorded on a separate line, so for example, a funeral with a burial the same day would be:
Line 1 = F(Funeral) £112 then Line 2 = BCH (Burial in a Churchyard) £15.
- Any corrections or adjustments to balance previously submitted fee forms can be added on the same form so that the total matches what is submitted.
- Additional help can be found in the Bishops' Guidelines and the FAQ page www.churchofengland.org/weddings-baptisms-funerals/fees.aspx and click on Frequently Asked Questions.
