

Everyday Faith **The Firepit**

**Encouraging one another
in Everyday Faith**

DIOCESE OF
Bath & Wells

Living the story. Telling the story.

Gather

You may be gathering in a small group in a variety of ways: online, over coffee, or walking together, or meeting at home. It's good to begin with a short prayer and you may like to use this one:

Lord, may the light of your presence set our hearts on fire with love for you; now and for ever.

Come, Holy Spirit, fill the hearts of your people. Amen

If appropriate, you might like to light a candle, or a firepit (!) before you say the prayer.

Share

You might like to share the highs and lows of the week: what made you smile, upset, challenged or angry?

Where have you seen God at work this week?

Is there something from the Bible that resonates or connects with any of these experiences?

Is there a hymn, song, poem or picture that you might like to share together?

Pray

You might like to pray together for the things that have arisen out of your discussion.

You could close by saying this prayer together:

May the Spirit kindle in us the fire of God's love.
Amen

Commit

What will I commit to myself?

How will I commit to support others in the group?

Is there anything we are called to commit to as a group?

We are grateful to the Diocese of Oxford for allowing us to share this resource. Firepits are one of a range of resources designed to help people, individually and collectively, reflect on their faith and how to live it out in their daily lives. Find out more:
